### Record-Holding Speedboat on Display Here

On display at Schultz & Peckham during the next week is the Keith Black's world record-holding hydroplane which holds a 99.968 mph record over a mile straightaway set on the Salton Sea in 1951.  
 Powered by a modified Ford engine, the boat holds the record for the 225 cubic inch class. Black, a member of the Southern California Speedboat Club, is putting his boat on public display for the first time, according to Robert Peckham, of the local agency.  
 The boat will be on display at 1420 Cabrillo Ave.

 one on the cheek because "you belong to my sister."  
 It is the people that Samira finds most fascinating about America. "Everyone is so clean and pretty and smells so nice," she told Sally, "and everyone smiles so much."  
 Still she has a word of advice for modern mothers who sometimes find household chores too pressing to give their children the attention they crave. "The work will be here when you are dead and gone," she says, "but your children are only small enough to cuddle one."  
 Samira is in the United States on a six-month visitor's visa. Her sisters are already contacting government officials to make her stay permanent. But if she has to return, that will be all right with Samira.  
 After living an American life, she told Sally, "I can die happy. God bless this country."

### Top Drivers Due At Carrell Oval In Sprint Cars

Many of the drivers who were featured in the thrill-packed stock car race last week at Carrell Speedway will be back Sunday for the first AAA-sanctioned sprint car meet for 1953 at the local oval.  
 Impresario J. C. Agajanian said yesterday that he expects an all-star entry roster includ-

ing such leadfoots as Johnnie Parsons, Duane Carter, Allen Heath, Don Freeland, Jimmy Bryan, Roy Prosser, Bob Denny, Andy Linden, Billy Vukovich, and others.  
 Sprint cars are much like Indianapolis autos except they are slightly smaller in overall dimensions and a bit less powerful. They are built chiefly for racing on one-half-mile tracks over distances up to 50 miles.  
**CHIEF EXPORTS**  
 Chief exports of Afghanistan are wool and skins. Principal imports are cotton, tea, sugar, textiles and metals, according to recent reports.

### State Income Tax Returns Due April 15

An estimated 2,600,000 State income tax returns will be filed before the April 15 deadline, Robert C. Kirkwood, Chairman of the Franchise Tax Board, reported yesterday.  
 This figure represents an increase of 500,000 over the number filed in 1952 and represents an increase in the number of persons employed in the state as well as an overall increase in the total amounts received by individual employees.  
 Allowable personal exemptions are \$2000 for a single person and \$3500 for a married couple or head of a family. Returns must be filed by a single person or head of a family having a net income of \$2000 or more, or by married persons having an aggregate net income of \$3500 or more. All individuals with a gross income of \$5000 or more must file a return regardless of their net income.  
 Carrying out the policy of assisting taxpayers in the preparation of their reports, plans have been made for representatives of the Franchise Tax Board to set up temporary headquarters in the various communities.  
 Kirkwood said that important differences exist between the Federal and State income tax law, and urged all taxpayers to take advantage of the assistance offered by the Board. No charge is made for this service.  
 Representatives will be available at the Torrance Chamber of Commerce on March 17.

### Noted Amateur Golfer Joins Local Company

Torrance's golfing ranks were swelled this week with the addition of one of Southland's leading amateurs.  
 Joining the Prudential offices here this week as a representative for Torrance was Carl Swanstrom, secretary of the Rio Hondo club, and handicap chairman of Pacific Southwest Golf Assn. He shoots in the low 70s. His latest golf outing put him in the championship flight of the Pasadena City Open last November. He has previously played in pro-amateur tournaments with such noted golfers as Paul Runyon, Jimmy Clark, and others.  
 Swanstrom is married and plans to move to Torrance in the near future, he said. He is a member of the American Legion, Bell Rotary Club, and the Long Beach Chamber of Commerce.
